水原高農校問題

全學生無期停學

一

同盟休校 同盟退學等所謂學校騷動의頻發하는것은 現下朝鮮의 社會的特徵을지고잇거니와 最近數三週間에 各地方學校의騷動이 자못層生하는觀이잇다 昇格問題 學校設備의 不完하다는問題 或은敎員自體의人格에對한不信任 或은師生間의人種的偏見및葛藤가튼것이 거의그騷動되는原因의全部를이루고잇섯다 水原高等農林學校의 同盟休學事件은 이數種을 兼한者이요學生의全部가 同盟休學을斷行하엿슬뿐아니라 學校當局이이에對하야 全學生無期停學의嚴重한處罰을加한等點으로보아서도近者에자못드믈은學界의一問題이라할것이다

WHAT'S WRONG WITH THE UNITED STATES?

By L. Y.

II

The writer has not been very long in Japan, but quite long enough to form an opinion on matters in which he is interested. In all humility he is seeking to further the cause of brotherhood and tolerance amongst the peoples of the world, but in doing so he makes no apology for speaking as he feels on matters which cause the evils which lie at the root of the troubles that make such an ideal possible. He is of Chinese parentage, born and educated in Australia, and knows quite enough of the practical problems of race as it affects one in an alien country. His education was carried out on lines radically opposite to that which is epitomised in "My country in her dealings with others may she always be in the right, but my country right or wrong." He was taught that great as were the traditions of the little island in the North Sea which gave birth to the Empire, he could give no greater contribution to Australia's national life than to always "play the game."

Last year the American Fleet paid a visit to Australia, and in reply to an invitation some twenty old "gobs" found themselves 500 miles up country from Sydney, where the Fleet was anchored, in a provincial town called Lismore.
